

Alaryk beers draw inspiration from the Languedoc, largest organic wine terroir in Europe. Like a good wine, Alaryk can be termed a gourmet elegant beer, in which quality is expressed at every stage of its development : from the choice of raw materials, 100% organic grains and hops, GMO free barley, wheat malts and yeasts, additive-free, by top fermentation, unfiltered and without CO₂ addition.

Although we are a young brewery, established in early Spring 2016, you can find our beers in the best French organic stores, restaurants and wine cellars: Biocoop (400 organic stores in France), Le Chateau Ivre (Béziers, Revue des Vins de France Best Wine Cellar 2016), La Cave des Arceaux (Montpellier n°1 wine cellar), La Cave de Belleville (Paris), Les Passionnés (Toulouse), Restaurant Franck Putelat (Carcassonne, Michelin Guide**, Bocuse d'Argent 2003), etc.

Alaryk Brewery participate in many trade shows: Natural Products Expo East (Baltimore, MD, USA), SIAL Paris (Paris, France), Le Vin de mes Amis (Paris, Montpellier, France), Biofach (Nurnberg, Germany), Salon de l'Agriculture (Paris, France), Anuga (Cologne, Germany), FHC Shanghai (Shanghai, China), Prowein (Düsseldorf, Germany).

In less than two years, we have won prestigious beer awards: Gold Medal 2017 for **Alaryk Double** (Fourquet d'Or Musée Français de la Brasserie), France Winner 2017 Strong Dark Beers and World Bronze Medal Design 2017 for **Alaryk Brune**, France Bronze Medal 2017 Strong Beers for **Alaryk Double** (World Beer Awards), Gold Medal 2017 Strong Dark Ales for **Alaryk Brune** (Brussels Beer Challenge).
